Product Description

Features

Adjustable Front Handle -The front handle is easily adjustable (360-degree rotation) for comfort.

Compatible with AutoCut® C 3-2 Line and PolyCut™ Blade -Easily switch between trimmer heads with the AutoCut® C 3-2 line for basic, around-the-yard trimming and the PolyCut™ multipurpose cutting tool for taller grasses.

High-Tech Polymer Housing -Housings are lightweight, withstand greater impact, and are corrosion-resistant.

Throttle Trigger Interlock -This safety feature must be depressed before the trigger can be activated.

Start/Run/Stop Controls on Handle -**Battery Indicator Lights** -

STIHL Electric Motor -Lightweight and compact, STIHL electric motors require minimal maintenance and feature low noise levels and reduced vibration.

Retaining Latch -All STIHL battery-powered products feature a retaining latch that is designed to prevent the unit from unintentional starts when the battery is inserted.

Hanging Loop -Hang your product securely on a wall to save space using the loop in the handle housing.

Lightweight Portability -This product is lightweight for easy portability, great maneuverability, and extended use.

Rubberized Soft-Touch Handle -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

Compact, Ergonomic Design -The compact, ergonomic design provides more comfortable use.

Loop Handle -A thumb screw allows the ergonomic loop handle to be easily adjusted to desired position without tools.

Bump Guard -The bump guard, which is standard equipment, helps when trimming around trees, shrubs and other obstacles by creating space between objects and trimmer head.

Adjustable Mowing Head - FSA -The angle of the mowing head is adjustable, making it easy to trim in hard-to-reach places.

Warnings and Safety

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand, and follow carefully the operating and safety instructions in your instruction manual before using such products.
