Product Description

Features

IPX4 Rating -This tool is IPX4-rated for weather-resistant construction and has been designed and tested for splash-water protection.

Laser-Cut Diamond-Ground Blades -Each blade is laser cut and ground using diamond discs. The hardened cutting edges are highly resilient and remain sharp for a longer period of time.

Pruning Version -Thanks to the high torque, low blade speed, and wide tooth spacing, the HSA 130 R helps you prune large, overgrown hedges with professional speed and power.

No Onboard Battery Slot -

Brushless Motor -

Two-Handed Design -

Double-Sided Cutting Blades -STIHL hedge trimmers with double-sided cutting blades cut both directions.

Large Front Handle -See it in action!

Functional Design -The engine housing has smooth surfaces and round contours that help to keep it from getting caught on branches during use. The design also makes cleaning easy.

Ergonomic Loop Handle -The ergonomic loop handle is ideal for making cuts in any direction.

Blade Scabbard -The blade cover helps protect the cutting blade during storage and transport.

Tip Protector -The tip protector makes cutting near the ground or along walls easier while protecting the trimmer's cutters from damage.

Compact, Ergonomic Design -The compact, ergonomic design provides more comfortable use.

Vertical Hanging Slot -The built-in hanging slot allows for easy storage when not in use.

Rubberized Soft-Touch Handle -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

Warnings and Safety

Note: STIHL engine products with the Caring for Nature logo are cleaner than EPA Standards for exhaust emissions.

STIHL products sold through U.S. STIHL Dealers are for distribution in the United States only.
