Product Description

Features

Laser-Cut Diamond-Ground Blades -Each blade is laser cut and ground using diamond discs. The hardened cutting edges are highly resilient and remain sharp for a longer period of time.

Onboard LED Indicator -Users know how much battery life they have thanks to an LED indicator.

Ideal for Small Yards -Built with a compact design, this trimmer provides easy maneuverability and long-lasting power—making it the ideal tool for small yards.

Two-Handed Design -

Double-Sided Blades -

Vertical Hanging Slot -

Large Front Handle -See it in action!

Compact, Ergonomic Design -The compact, ergonomic design provides more comfortable use.

Lightweight Portability -This product is lightweight for easy portability, great maneuverability, and extended use.

Rubberized Soft-Touch Handle -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

Throttle Trigger Lockout -This safety feature must be depressed before the trigger can be activated.

High-Tech Polymer Housings -Housings are lightweight, withstand greater impact, and are corrosion-resistant.

Warnings and Safety

Note: STIHL engine products with the Caring for Nature logo are cleaner than EPA Standards for exhaust emissions.
