Product Description

Features

IPX4 Rating -This tool is IPX4-rated for weather-resistant construction and has been designed and tested for splash-water protection.

Laser-Cut Diamond-Ground Blades -Each blade is laser cut and ground using diamond discs. The hardened cutting edges are highly resilient and remain sharp for a longer period of time.

Two-Handed Design -Equipment with this feature is easily started. The cutting speed can be adjusted using the rear trigger control, allowing for a fine and precise cut. The two-handed design is suitable for both left and right-handed users.

Articulating Head -

Compact, Ergonomic Design -

Lightweight Portability -

Double-Sided Cutting Blades -STIHL hedge trimmers with double-sided cutting blades cut both directions.

Blade Scabbard -The blade cover helps protect the cutting blade during storage and transport.

Tip Protector -The tip protector makes cutting near the ground or along walls easier while protecting the trimmer's cutters from damage.

Rubberized Soft-Touch Handle -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

Functional Design -The engine housing has smooth surfaces and round contours that help to keep it from getting caught on branches during use. The design also makes cleaning easy.

Vertical Hanging Slot -The built-in hanging slot allows for easy storage when not in use.

Long Run Times -Get more done On A Single Charge™. *Run time per charge may vary depending on usage and application.

Weather-Resistant Design -The weather-resistant design gives users the advantages of a powerful tool with a sturdy construction.

Warnings and Safety

Note: STIHL engine products with the Caring for Nature logo are cleaner than EPA Standards for exhaust emissions.
