Rotating Handle -

Long Run Times -Get more done On A Single Charge™. *Run time per charge may vary depending on usage and application.

Two-Handed Design -Equipment with this feature is easily started. The cutting speed can be adjusted using the rear trigger control, allowing for a fine and precise cut. The two-handed design is suitable for both left and right-handed users.

Double-Sided Cutting Blades -STIHL hedge trimmers with double-sided cutting blades cut both directions.

Compact, Ergonomic Design -The compact, ergonomic design provides more comfortable use.

Blade Scabbard -The blade cover helps protect the cutting blade during storage and transport.

Lightweight Portability -This product is lightweight for easy portability, great maneuverability, and extended use.

Functional Design -The engine housing has smooth surfaces and round contours that help to keep it from getting caught on branches during use. The design also makes cleaning easy.

Rubberized Soft-Touch Handle -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

Variable-Speed Trigger -The variable-speed trigger allows precise control for each task.

The most powerful hedge trimmer in the AK Homeowner System offers a higher stroke rate, longer run time, and increased blade length over the previous model. Minimal vibration allows for operator comfort, and the rotating handle switches easily from side to top cutting for versatile performance. The double-sided, diamond-ground blades allow you to cut both directions with sharpness and resilience. When paired with the AK 10, the HSA 60 can run up to 70 minutes On A Single Charge™.
