Product Description

Features

Double-Sided Blades -The dual-ground blade system provides a clean cut and is ideal for cutting through stronger, thicker branches.

Multi-Function Control Handle -Having easy access to all of the controls on one comfortable handle helps makes it easier to complete tasks so the operator's hand never has to leave the handle.

Loop Handle -The loop handle (R) is an adjustable rounded handle mounted on a shaft for support and control. The handle is designed to help control the machine in different positions, ideal for reaching tough spots. The handle is large enough to accommodate a gloved hand comfortably.

High-Tech Polymer Housings -Housings are lightweight, withstand greater impact, and are corrosion-resistant.

Warnings and Safety

Note: STIHL recommends use of fuel with no more than 10% Ethanol content. Using fuel with greater than 10% Ethanol content may cause damage to your equipment and may void your STIHL warranty.
