Product Description

Features

Laser-Cut Diamond-Ground Blades -Each blade is laser cut and ground using diamond discs. The hardened cutting edges are highly resilient and remain sharp for a longer period of time.

Articulating Head -The -45° to +70° articulating head can be adjusted to seven different positions.

Unique Two-Piece Shaft Design -This unique shaft design provides easy storage and transport.

Tip Protector -The tip protector makes cutting near the ground or along walls easier while protecting the trimmer's cutters from damage.

Ergonomic Loop Handle -The ergonomic loop handle is ideal for making cuts in any direction.

Lightweight Portability -This product is lightweight for easy portability, great maneuverability, and extended use.

Throttle Trigger Lockout -This safety feature must be depressed before the trigger can be activated.

High-Tech Polymer Housings -Housings are lightweight, withstand greater impact, and are corrosion-resistant.

Warnings and Safety
