### Product Description

#### Features

**Integrated Battery** -This product includes a built-in battery and corresponding charger. The integrated battery is charged via an external charging cable.

**Battery Indicator Lights** -This product is equipped with built-in indicator lights, showing the battery status and remaining level of charge.

**Double-Sided Cutting Blades** -STIHL hedge trimmers with double-sided cutting blades cut both directions.

**Lightweight Portability** -This product is lightweight for easy portability, great maneuverability, and extended use.

**Functional Design** -The engine housing has smooth surfaces and round contours that help to keep it from getting caught on branches during use. The design also makes cleaning easy.

**Rubberized Soft-Touch Handle** -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

**High-Tech Polymer Housings** -Housings are lightweight, withstand greater impact, and are corrosion-resistant.

#### Warnings and Safety

**Note:** STIHL engine products with the Caring for Nature logo are cleaner than EPA Standards for exhaust emissions.

**STIHL products sold through U.S. STIHL Dealers are for distribution in the United States only.**
