### Product Description

#### Features

**Compact Design** -The folding handles and front hand grip make the YARD BOSS® compact and easy to transport and store.

**Purge Pump Primer** -A small fuel pump delivers fuel to the carburetor when pushed, reducing the number of starting strokes required following extended breaks in operation.

**Protected Spark Plug** -The spark plug terminal is protected yet easy to change.

**Made in America** -A majority of STIHL products sold in America are made in America of U.S. and global materials.

**Multi-Function Control Handle** -Having easy access to all of the controls on one comfortable handle makes it easy to complete tasks so the operator's hand never has to leave the handle.

**Multi-Tasking Tool** -Switch between any of the eight YARD BOSS® optional attachments quickly.

**Efficient and Virtually Maintenance-Free Motor** -The brushless motor is ideal for noise-sensitive environments with virtually zero maintenance required.

**Retaining Latch** -All STIHL battery-powered products feature a retaining latch that is designed to prevent the unit from unintentional starts when the battery is inserted.

#### Warnings and Safety

**\*WARNING!\***Improper use of any power tool may cause serious or fatal injury. Read, understand, and follow carefully the operating and safety instructions in your instruction manual before using such products.

**STIHL products sold through U.S. STIHL Dealers are for distribution in the United States only.**
