Product Description

Features Anti-Vibration System -The STIHL anti-vibration system helps reduce operator fatigue and provides a more comfortable working experience. **Multi-Function Control Handle** -Having easy access to all of the controls on one comfortable handle makes it easy to complete tasks so the operator's hand never has to leave the handle. **Adjustable Support Harness** -STIHL backpack blowers and sprayers are equipped with an adjustable support harness that distributes weight evenly across the shoulders and back, reducing user fatigue. The STIHL SR 450 is a professional-grade sprayer that covers all the bases. Its low exhaust emission, fuel-efficient engine delivers a 20% greater spray range when compared to previous models. Ideal for distributing liquid or solid compounds, this backpack sprayer/duster converts from misting to dusting applications without any special tools or additional equipment. It's easy to use and provides excellent control over product feed and air speed. **Warnings and Safety STIHL products sold through U.S. STIHL Dealers are for distribution in the United States only.**
