Product Description

Features

Two Lengths of Blower Nozzles Included -The short, round nozzle is ideal for cleaning shelves, tables, or other small areas. The long, flat nozzle is for cleaning terraces, garages, and other larger areas

Two AS 2 Batteries & an AL 1 Charger w/ Set -The BGA 30 set comes with two interchangeable AS 2 batteries for longer work time and an AL 1 charger.

Variable Blowing Force -This product offers variable blowing force with stepless adjustment.

Lightweight Portability -This product is lightweight for easy portability, great maneuverability, and extended use.

Battery Charge Status Indicator -The AS batteries are equipped with 3 LED lights to indicate the battery status and show error codes.

Hanging Loop -Hang your product securely on a wall to save space using the loop in the handle housing.

Smart Connector 1.0 -Users are able to connect their product to an app on their smart device with an optional Smart connector 1.0, which provides tool usage data.

Quiet Operation -This product is ideal for noise-sensitive areas.

Approved for Indoor Use -Low noise and clean operation make it ideal for use inside.

Multi-Function Handle -With the multi-function handle, all of the blower's controls can be adjusted with one hand, allowing simple and reliable operation for both right and left-handed users. In addition, the handle's control lever allows the user to easily adjust the motor speed.

Rubberized Soft Touch Handle -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods.

Compact, Ergonomic Design -The compact, ergonomic design provides more comfortable use.

Weighing under four pounds including battery, the BGA 30 blower is lightweight and maneuverable for quick cleanup around your home and yard. Two blower nozzles are included—a short, round nozzle and a long, flat nozzle—to tackle various tasks. This AS System battery-powered blower offers variable blowing force with stepless adjustment, giving users the ability to easily adapt to the job at hand. LED lights indicate battery status and the optional Smart connector 1.0 allows your BGA 30 to communicate with your smart device on your blower's power and performance. The BGA 30 set comes with an AL 1 charger and two interchangeable AS 2 batteries to maximize work time.
