Product Description

Features

STIHL Electric Motor -Maintenance-free brushless DC motor features low noise levels and reduced vibration.

Built-In Cord Retainer -The built-in cord retainer helps prevent the power cord from becoming accidentally disconnected.

Built-in Cable Strain Relief -The built-in cable strain relief helps prevent the power cord from becoming accidentally disconnected.

Multi-Function Handle -With the multi-function handle, all of the blower's controls can be adjusted with one hand, allowing simple and reliable operation for both right and left-handed users. In addition, the handle's control lever allows the user to easily adjust the engine speed.

High-Tech Polymer Housings -Housings are lightweight, withstand greater impact, and are corrosion-resistant.

Easy. Quiet. Done. The STIHL BGE 61 handheld blower is part of a generation of lightweight, powerful electric leaf blowers. Its compact design produces low noise and zero exhaust emissions, making it ideal for use around the house without disturbing the neighbors. As a bonus, there is a built-in cord retainer to help keep you connected.

Warnings and Safety

WARNING!Improper use of any power tool may cause serious or fatal injury. Read, understand, and follow carefully the operating and safety instructions in your instruction manual before using such products.
