Product Description

Features

Rubber Grips -STIHL has developed a system for minimizing the vibration levels of handheld outdoor power equipment. The STIHL anti-vibration system helps reduce operator fatigue and provides a more comfortable working experience.

Double-Sided Cutting Blades -STIHL hedge trimmers with double-sided cutting blades cut both directions.

Lightweight Portability -This product is lightweight for easy portability, great maneuverability, and extended use.

Incredible Speed -his product delivers optimal cutting by operating at a high rate of speed.

Proven STIHL Blade Geometry -Proven blade geometry from STIHL allows for a more precise cut.

Onboard LED Indicator -Users know how much battery life they have thanks to an LED indicator.

Compact, Ergonomic Design -The compact, ergonomic design provides more comfortable use.

Long Run Times -Get more done On A Single Charge™. *Run time per charge may vary depending on usage and application.

Simple Operation -Its ease of use and simple design make this ideal tool for all users.

Whether you are precisely trimming ornamental plants or pruning and cutting small shrubs and grasses, the HSA 26 battery-powered garden shears deliver unparalleled precision and power for the discerning gardener. Ideal for urban or suburban homeowners living in noise-sensitive areas, the HSA 26 provides more precise and cleaner cuts than the previous model with proven blade geometry that improves plant appearance. With its lightweight construction, ergonomic design, rubberized grips, and two easily interchangeable blades, you get all the comfort, control, and flexibility you need. Part of the innovative STIHL AS System of battery-powered tools, the HSA 26 puts a new level of power and performance in the palm of your hand.
