Product Description

Features

Stepless Pressure Control -This product features stepless pressure control that allows users to easily dial the pressure up or down depending on their needs.

Hose Reel -The hose reel allows for easy, compact storage and transport.

Battery Compartment Cover -The battery compartment cover is engineered to protect the battery from overspray and provide weather-resistant durability.

Detergent Hose -The built-in detergent hose is easily accessed and stored.

3-in-1 Nozzle -Users can easily switch between flat jet, rotary, and detergent settings with the 3-in-1 nozzle.

Lightweight and Durable -The REA 100 PLUS is engineered to be exceptionally lightweight while maintaining high durability.

Continuous Working Pressure of 1800 psi -The REA 100 PLUS is engineered to provide continuous pressure at up to 1800 psi without boost mode.

Max. Pressure of 2,220 psi -With a maximum pressure of 2,200 psi, the REA 100 PLUS offers high-powered performance for a wide range of tough tasks.

IPX4 Rating -This tool is IPX4-rated for weather-resistant construction and has been designed and tested for splash-water protection.

The REA 100 PLUS is a powerful, professional pressure washer featuring stepless pressure control so users can easily dial the pressure up or down to meet the needs of the job at hand. Operating on only one AP battery at a maximum pressure of 2,200 psi, this pressure washer is a true powerhouse in the market with the ability to continuously spray at 1800 psi. The lightweight and durable engineering, along with 3-in-1 nozzle and built-in detergent hose, offer convenience for portability and maneuverability as well as clean, mess-free storage. With weather-resistant durability including a battery compartment cover, the REA 100 PLUS and its battery are protected from overspray and can withstand heavy-duty work.

Warnings and Safety

WARNING! Improper use of any power tool may cause serious or fatal injury. Read, understand, and follow carefully the operating and safety instructions in your instruction manual before using such products.
