Product Description

Features Easy Start Pump System -The Easy Start Pump System features a pressure relief valve, allowing users to start the unit without any back pressure from the pump. It enables quick, easy starting with no hard cord pulls. **Cast-Iron Liner** -The high-quality cast-iron liner enhances durability and prolongs longevity, making sure the product is built to last. **Automatic Fuel Shut-Off Valve** -This pressure washer features a combined on/off and fuel valve control. This allows the user to shut unit off and close fuel valve automatically for easy, no-mess transport. **Anti-Vibration System** -This pressure washer features a STIHL-engineered four-point vibration isolation system. This reduces pump vibration during use for increased unit longevity. **Stainless Steel High Pressure & Brass Detergent Nozzles** -This pressure washer includes stainless steel nozzles for use with high-pressure water and a brass nozzle for use with detergent. These premium nozzles are designed to resist corrosion and wear. **Two-Piece Lance & Gun Assembly** -This pressure washer features an easy, convenient two-piece lance and gun assembly. The lance design is also extended for better accuracy in tall applications. **Easy-Access Inlet & Outlet Water Connections** -Both inlet (water coming into the pump) and outlet (water going from the pump to the gun) connections are easy to access for faster setup. **Durable Design** -This product has a durable design made with quality components. When you need a power washer that delivers top performance and can stand up to daily use, choose the STIHL RB 400 DIRT BOSS® pressure washer. It features a powerful 196 cc (6.5 hp) engine that can output 2,700 psi of water pressure at 2.7 gallons per minute. It also features the durability STIHL products are known for, with a brass manifold pump design, stainless steel valves, and ceramic-coated pistons. There is also a cast-iron engine liner and a built-in shutdown feature when the oil level is low. The RB 400 DIRT BOSS® also features an easy start pump system and convenient detergent injector system. With its 25' no-kink flex hose, you can clean more area without having to move the machine. Finally, the pressure washer uses a wide range of optional cleaning accessories, including rotary surface cleaner, water broom, nozzle options, hose extensions, a gutter cleaner, aluminum wand extension, pivot coupler, and official STIHL cleaning agents. When you need to demolish dirt on a daily basis, the DIRT BOSS® handles the pressure with ease. **Warnings and Safety STIHL products sold through U.S. STIHL Dealers are for distribution in the United States only.**
