Product Description

Features Mono-Comfort Handlebar -The state-of-the-art mono-comfort handlebar allows for quick access to the grass bag as well as easy height adjustment and convenient, foldaway storage. **Easy-to-Read Control Panel** -The easy-to-read control panel gives insight into your machine by showing battery levels and warns you if your battery is too hot or cold. **Two-Blade Mowing Deck** -The two-blade mowing deck offers fast, thorough cutting performance. **Powerful Battery-Powered Push Mower** -Battery power meets engineering for a tough, powerful machine with long run times, reduced noise, and zero exhaust emissions. **Variable-speed Settings** -Enjoy the convenient variable speed settings to adjust the speed to meet your needs. **Vario Drive (V)** -The simple Vario Drive enables the operator to select their ground speed. **Brushless Motor** -The advanced brushless motor virtually eliminates maintenance while supplying the power and performance you expect from STIHL. **Battery** -Lithium-Ion battery power eliminates the mess and expense of fuel mixtures. **Battery Life** -With no gradual drop in power, users can work at full speed until the battery is depleted. **Multiple Storage Options** -The mower can be stowed in three positions: folded on all four wheels, unfolded on all four wheels, or upright and folded in the cleaning position with blades facing the wall to save floor space. **Rubberized Soft-Touch Handle** -Soft rubber texture is both easy to grip and makes the product comfortable to hold for extended periods. **Easy-Running Wheels** -The wheels have been equipped with traction pattern and stability for effortless maneuvering and line holding during mowing. The RMA 765 V battery-powered mower offers professional level power and performance featuring a brushless motor with ECO mode to virtually eliminate engine maintenance and optimize battery life to give you the best run times possible. The synchronous, two-blade mowing deck provides fast, thorough cutting, and the unique mono-comfort handlebar allows easy height adjustment and convenient access to the grass bag. Operate with reduced noise and zero exhaust emissions to expand your working hours and territory. **Warnings and Safety STIHL products sold through U.S. STIHL Dealers are for distribution in the United States only.**
