Product Description

Features

Vanguard® Oil Guard™ System -Vanguard® Oil Guard™ System features a separate oil tank, transferring cool oil to the engine—helping oil last longer, increasing working times, and allowing for less maintenance.

Commercial-Grade Hydro-Gear® ZT-5400 Transaxles Include 9" Cooling Fans -Hydro-Gear® ZT-5400 transaxles offer a top forward ground speed of twelve mph and a top reverse speed of five mph, as well as nine inch cooling fans to prevent overheating.

Heavy-Duty 10" Cast Iron Greaseable Mower Deck Spindles with Taper Lock Pulleys -The STIHL RZ 900 Series features taper lock spindle pulleys to ensure perfect belt alignment and the tightest fit between the pulley and spindle to ensure a long service life.

Premium Suspension Seat -The STIHL RZ 900 Series features a premium suspension seat with adjustable backrest, adjustable lumbar support, and adjustable armrests.

Large Fuel Capacity -With a fuel gauge that is visible from the operator's seat, not only can users monitor fuel level and experience fuel coverage for large jobs, but the wide opening also makes fueling easy.

Four-Wheel Suspension System with Independent Front Suspension and Rear Shock Absorbers -Adjustable to suit your yard's terrain, the rear suspension uses shock absorbers to help stabilize the machine for a consistent cutting height and a smooth, comfortable ride.

Independent Front Suspension with Mower Deck Height Compensation -Independent front suspension features two control arms that connect to shock absorbers, designed to ensure wheels remain perpendicular to the ground throughout the range of travel.

Swingarm Rear Suspension with Shock Absorbers -The adjustable rear suspension with shock absorbers are designed to help provide performance and comfort while mowing uneven surfaces.

Efficient Two-Belt Mower Drive System -Two-belt mower drive system results in less strain and flex on the belts, allowing the belts to run cooler and enabling a longer lifespan and less maintenance.

Two USB-A Ports -Two USB-A ports provide 3.15 amps of power to charge devices.

Roll Over Protection System (ROPS) -The advanced ROPS features polyurethane blocks to prevent rattling while in motion and conveniently folds for easy storage and trailer transport between jobs.

Flip-Up Floor Pan -Flip-up floor provides convenient serviceability and cleaning of the mowing deck.

Foot-Operated Cutting Height -Users can easily adjust the cutting height while seated.

Dual-Function Hour Meter -Dual-function hour meter tracks both run time and hours of mowing time to assist users in keeping up with regular maintenance tasks.
