Product Description

Features

25 hp V-Twin engine -With its powerful 25 hp V-Twin engine, the STIHL RZ 261 delivers a consistent, efficient cut.

Largest Consumer Model -Optimal for farms, ranches, and large homeowner properties, the STIHL RZ 261 is the largest consumer zero-turn mower offered by STIHL. Its Briggs & Stratton® 25 hp V-twin engine provides for reliable operation and consistent power output.

Hydro-Gear® ZT-3100 Transaxles -Hydro-Gear® ZT-3100 transaxles enable 8.5 mph forward ground speed and 4 mph in reverse, helping allow for smooth and efficient cutting.

Greaseable aluminum mower deck spindles -Greaseable aluminum mower deck spindles allow for user maintenance and extend the life of each spindle.

Deluxe Seat -The featured deluxe seat gives the user a comfortable ride throughout the entire job.

Three-Gallon Fuel Capacity -Provides fuel coverage for suburban yards and features a large opening for easy fueling.

Four-wheel suspension with four shock absorbers -This mower features four-wheel suspension with adjustable shock absorbers to match varying terrain.

12-Gauge Welded Frame -The welded frame is sturdy, durable, and long lasting when mowing over rough terrain.

Spin-On Transaxle Oil Filter -Spin-on oil filters for transaxles capture debris and make maintenance easy.

ReadyStart® -With ReadyStart®, users can quickly start the mower with just the turn of a key eliminating manual operation of the choke.

Two USB-A Ports -Two USB-A ports provide 3.15 amps of power to charge devices.

Foot-Operated Cutting Height -Users can easily adjust the cutting height while seated.

Hour Meter -By tracking and displaying run time hours, users can more easily keep up with regular maintenance tasks.

Flexible Side Rubber Discharge Chute -Chute allows grass clippings to be released to the side of the mower and out of the way of the cutting path.

Trailer Hitch -This zero-turn mower features a rear trailer hitch for towing additional accessories and attachments.*
*Accessories and attachments sold separately.

Whether it's a large residential lawn, farm, or ranch property, the STIHL RZ 261 is the largest consumer model of zero-turn mower in the STIHL lineup, making it the ideal fit for a range of properties. Powered by its reliable 25 hp V-Twin Briggs & Stratton® engine and built on a versatile four-wheel suspension system with adjustable rear shock absorbers, the STIHL RZ 261 delivers the power to take on the job, plus the support to get it done comfortably. The Hydro-Gear®
